kamstrup

Course Certificate

We hereby certify that:

Gustav Kebisek – Nobius Metering, s.r.o.

has participated in an extensive training program, supervised by Kamstrup's Meter Service Department and now has knowledge in the following systems:

- Kamstrup USB Meter Reader
- Kamstrup PcBase III
- Kamstrup Radio Mesh
- Kamstrup Radio Link and
- Fundamental knowledge in building Kamstrup Radio Link and Mesh Network.

The training program comprises detailed instruction and practical exercises in operation and maintenance of these products.

Furthermore, this certificate of competence is, a confirmation of Kamstrup's fundamental policy of customer orientation – from product development through to service – committing every employee to quality and a will to take responsibility.

Mogens B. Lassen, System Operation Manager

Kamstrup is a world-leading supplier of energy and water metering solutions. For 70 years, we have delivered reliable, cost-effective ways to measure and manage energy and water consumption worldwide. By anticipating our customers' challenges, we enable them to run a better business and inspire smarter, more responsible solutions for the communities they serve. All products are produced with the highest certifications for environmental safety and quality in our automated production facilities in Denmark.
